

Atento Recognized as One of the Best Companies to Work for in Argentina and Uruguay

- Atento is the only CRM/BPO company in Argentina to be recognized as one of the best companies to work for by Great Place to Work® for the eleventh year running
- In Uruguay, Atento is the only company in its sector to be included in the same ranking for the tenth year
- Atento is also one of the 25 Best Multinationals to Work for in Latin America according to Great Place to Work®

BUENOS AIRES AND MONTEVIDEO, November 22, 2017 – Atento S.A. (NYSE: ATTO), the leading provider of customer relationship management and business process outsourcing services (CRM/BPO) in Latin America, and one of the top five providers worldwide, obtained the seventh and fourth place in the Best Companies to Work for ranking in Argentina and Uruguay respectively, according to Great Place to Work®.

Atento is the only CRM/BPO company in Argentina and Uruguay to be included in this prestigious ranking consecutively over the years, attesting to its business culture, aimed at promoting personal development among its employees and at fostering an excellent work environment.

Upon receiving the recognition, Pablo Estevez, Managing Director of Atento Argentina and Uruguay, said “We are very proud because Atento has renewed once again its position as one of the Best Companies to Work for in Argentina and Uruguay. Without a doubt, one of the most prestigious recognitions in the field of people management and work climate in both countries. Being included in this ranking year after year is a two-fold recognition for us as it also reflects the commitment of our more than 8,000 employees, who consider Atento an excellent place to work.”

He also commented that, “In an increasingly digitized and constantly changing environment like the one in which we are living, our work culture fosters good work environments, inclusiveness and evolution towards digital models. This represents a clear competitive advantage for Atento when it comes to offering companies the best customer experience in the market.”

The Great Place to Work® ranking is articulated by surveying employees and auditing the culture of the organizations. Both analyses are conducted by the international consultancy firm of the same name and the results conform the list of the best companies to work for in the country.
